Newsletter de l'Institute

Under the patronage of Roselyne Bachelot-Narquin, Minister of Health and Sports

Dear Friends,

Paris is looking at its best at this pre-Christmas season so I hope you will be able to profit from it while attending the 2009 Institute.

Along with all my team we are delighted to welcome you to the 2009 Paris Institute where we hope that a spirit of friendship, understanding, and convivial discussion will provide the cement that binds us to RI.

Welcome to all,

Have a great symposium,

Work well,

Enjoy yourselves and let's create some great memories.

The future of Rotary is in your hands.

With best wishes,

Dr Catherine Noyer-Rivau
Convener of the Institute
